AMENDMENT AND REPLY

BOX NON-FEE AMENDMENT
Assistant Commissioner For Patents
Washington, D. C. 20231

Dear Sir or Madam:

In response to the non-final rejection mailed April 4, 2001, please amend the subject application as follows:

IN THE CLAIMS:

17. (Twice Amended) A method for identifying optical contrast enhancing agents useful for enhancing the sensitivity of optical detection of a biological material comprising:
- maintaining at least one sample population of the biological material in one of the following systems: a cell culture system; a tissue culture system; an organ culture system; and an intact organism;
 - exposing the at least one sample population to a candidate optical contrast enhancing agent;
 - acquiring test data relating to one or more optical properties of the sample population subsequent to exposure to the candidate optical contrast enhancing agent; and
